This event is organised in the framework of **EU3D**, a 4-year research project looking at the future of European integration, in particular differentiated integration. EU3D will specify the conditions under which differentiation is politically acceptable, institutionally sustainable, and democratically legitimate; and provide important knowledge on the conditions under which EU reforms may fail or succeed. www.eu3d.uio.no. EU3D is funded by the European Union's Horizon 2020 Research and Innovation Programme. Grant Agreement No. 822419.
