

EU3D Research Papers

The EU3D Research Papers are pre-print scientific articles on the differentiated European political order. The series is multidisciplinary, with a particular emphasis on the fields of political science, political theory, sociology, economy and law.

Technical guidelines

Manuscripts should not exceed 15,000 words (including notes and references), and must be submitted in Word-compatible format.

Manuscripts must include an abstract of maximum 300 words, and 3-10 keywords. Author institutional affiliation must be included.

Kindly differentiate between levels of headings in your text. For example, use numbered headings, or use capitals for headings (A), bold for subheadings (B), and italic for sub-subheadings (C).

Preferred language is UK English.

Authors may use either the Harvard reference system or footnotes. The chosen reference system must be used consistently throughout the manuscript, and the bibliography should include all references from the text.
